MEMORANDUM FOR: Assistant Chief, DPD

SUBJECT : Land-taking in OXC Area

25X1A9a

1. This is to advise we have gone about as far as we can in preparation for the legal action to condemn additional land for the OXC area. I recommend that you glance over the attached copy of a Complaint prepared by [REDACTED]. You will probably be as appalled as I am to see the very large number of persons who may have some claim that will have to be extinguished in the proposed legal action.

2. The attached is only intended to be a rough draft to be turned over to the Lands Division, Justice Department when they are ready to prepare the papers on this case. Paragraph IV on page 4 of the attached Complaint is inaccurate and I will need to check the entire draft document. However, I thought you might be interested in getting an impression of the complex problem with which we must wrestle.
